Pregnancy Help Centers

Since the closing of the Lifeline Office in Butler in December 2020, we have received questions about what other Pregnancy Help Centers are located in Butler County. We have tried to compile a listing of these programs, with a brief description of their services. For more detailed information, contact the Center directly. Although most Centers are only open a limited number of hours per week, their phones are open 24 hours a day. Unless otherwise noted, all Centers can provide baby clothes and diapers. All services are Free and Confidential and all Centers provide referrals to other social service agencies, as needed.

Promise of Life Network operates 2 Centers in Butler County:
